Note: This rebate applies only to the primary phone when activated on a FamilyShare plan.

To receive your mail-in rebate:

1. Purchase any of the above-listed products from Amazon.com with a new, one-year (minimum) service agreement of a \$39.99 or higher voice plan from the designated service provider between 8/11/2005 and 8/24/2005. You must remain active on the account for at least 180 days to qualify; early termination fees may apply. You will still qualify for the mail-in rebate if your order ships after the ending date, as long as you place your order with Amazon.com on or before that date.
2. Activate your new service (note: this rebate does not apply to phone purchases for use on an existing account and phone number. If you already have an existing account and wish to obtain a second line of service (for a family member, employee, etc.), you will qualify if you purchase and activate the phone with a new service plan. Rebates will not be honored for customers adding a line of service who then cancel an existing line). Please print this form when you place your order.
3. Place a checkmark in the appropriate box for each of the products purchased from Amazon.com.
4. Send in this completed form, a copy of your Amazon.com packing slip as proof of purchase, and a copy of the top portion of your second month's service bill showing full payment for the first month of your service agreement to the address below (do not send in the call log section of your bill). You must wait 60 days from the shipping date on your packing slip before sending in your rebate form.
5. Phone cannot be returned once the rebate fulfillment form has been submitted. All equipment serial numbers will be verified as being active on our system prior to rebate being fulfilled.
6. Rebate requests must be postmarked by 11/22/2005.

Additional Information: Rebates apply only to products offered by Amazon.com. Does not apply to products sold by third-party merchants and other sellers through the Amazon.com site. All submissions become the property of Amazon.com. Limit five rebates per address; you must submit a separate form for each request. Amazon.com rebates are only eligible on new handsets ordered with a voice service plan from Amazon.com. In order to qualify for the rebate your shopping cart must contain both the phone and accompanying plan. Void where prohibited, taxed, or restricted by law. You must be a legal U.S. resident, 18 years or older. Illegible or incomplete materials are ineligible for processing. Please allow 8 to 10 weeks for processing. If after 10 weeks you have not received your rebate, visit amazon.rebatestatus.com or you may call 1-866-348-2492. Note that the U.S. Postal Service does not forward rebate checks. Please keep copies of all materials submitted for your records. Amazon.com has the right to discontinue this offer at any time. Amazon.com rebates are processed by a third-party rebate fulfillment company. Amazon.com is the registered trademark of Amazon.com, Inc.

If after 10 weeks you have not received your rebate, visit amazon.rebatestatus.com, or you may call 1-866-348-2492.
